INTRODUCTION & DOJO RULES

INTRODUCTION

Welcome! Goju Kai Karate Do Sydney Inc (“Club”) is a martial arts club with foundations in traditional Japanese karate. Our style has a focus on self-defence, personal growth and development including self-confidence, discipline, balance, co-ordination and fitness.

A brief history of our style of karate

Goju Kai Karate Do is a style of karate that was developed by Gogen Yamaguchi (1909-1989) from *Goju Ryu* as taught by Chojun Miyagi (1888 – 1953). The style we practice is formally called *Goju Ryu* (*Goju* means “hard-soft” and *Ryu* means “style”) *karate do* (*karate* means “empty hand” and *do* means “the way of”). *Goju Kai* is the worldwide association we belong to (*Kai* means “association”). We may also refer to our style as *Yamaguchi Goju Kai* to distinguish it.

Gogen Yamaguchi Kaiso Ju-Dan was appointed Chojun Miyagi’s successor in Japan and founded *the All Japan Goju Kai* and *International Karate Do Goju Kai Association (IKGA)*. *IKGA* has over 50 member countries and continues to grow under the leadership of Yamaguchi Kaiso’s youngest son Goshi Yamaguchi Saiko Shihan Hanshi Hachi-Dan.

Vice-President of the *IKGA* representing the *IKGA Oceanic Bloc* is Australian karate-ka Paul Starling Shihan Kyoshi Hachi-Dan. Starling Shihan was one of Gogen Yamaguchi Kaiso’s students and when he graduated from the karate college in Japan, he was given permission by Gogen Yamaguchi to open a dojo in 1970 with the unique name of *Sydney Goju Kan* (*kan* means “dojo”).

Our Club is a successor to what Starling Shihan began nearly half a century ago and is part of the *IKGA* network. Our Club has dojos in Sydney and the Central Coast. There are other *IKGA* dojos throughout Australia. Our Club is affiliated with *NSWKF* and *AKF*.

Starling Shihan is our Club Patron. Starling Shihan is a pioneer of *Goju Kai* and karate generally in Australia and continues to teach a black belt class in Sydney as well as special seminars. We are privileged to have a karateka of such high standing and expertise within our Club.

Virtues of Goju Kai Karate Do

Trust, honour, respect, integrity, truthfulness, humility and honesty are fundamental to the practice of *Goju Kai* karate. These values are incorporated within the traditional virtues of *IKGA* as follows:

- 1 We are proud to study the way of *Goju Ryu*
- 2 We are courteous in manners
- 3 We are humble but strong
- 4 We cultivate the spirit of co-operation
- 5 We respect the spirit of chivalry, traditional from olden times in Japan.

Dojo etiquette

Dojo is the Japanese name for “place of training”. In a dojo, we show respect and courtesy to everyone. Following Japanese custom, we take our shoes off before entering the dojo and bow (like the Japanese do -you will be shown this in our classes) and say in a loud voice “Good morning/evening Sensei”. *Sensei* is the Japanese word for “teacher”. You then wait to be acknowledged by the Sensei and enter the dojo. Don’t worry about getting it all right when you first start, you can learn more about dojo etiquette in our Handbook which will be provided to you in the first few weeks of your training.

DOJO RULES

All Club Members and everyone at a Club dojo must abide by our Club Constitution, which is available at our website www.karatesydney.com

The structure and discipline of karate revolves around a strict code of conduct that:

- Minimises the risk of injury

The safety of children in our care is paramount. To keep children safe please take note of the following information:

- Our instructors have a Working With Children Check (WWCC) - a legal requirement set by the Australia government.
- Parents are free to leave the dojo while their children are training. However, please make sure you have provided us with emergency contact details in your Membership Application, Waiver & Indemnity Form (the “Form”) and that you have your mobile phone switched on while you are away.
- If your child is to be picked up by someone other than a parent recognized by our instructors, please ensure you let us know **at the beginning of the class** the name of the pick-up contact. If you are late in picking up your child, **please note** that we will be required to have two people stay with your child until you arrive.
- If your child requires medication during training, for example, an asthma puffer or an EpiPen, please make sure you let us know and provide the instructor with your child’s asthma plan.
- Everyone is required to abide by our Member Protection Policy which includes child protection and anti-harassment policies. Copies of these policies are available at our website www.karatesydney.com

2. Safety

- Everyone participating in a class **must apply to become a member by**

completing and signing the Membership Application, Waiver & Indemnity Form before the commencement of training – even if you are trialing the class.

- We reserve the right to approve or reject your application for membership and to remove you as a member should your continuation as a member endanger your safety or the safety of others or you fail to comply with the Club Rules or your conduct will bring the Club or the IKGA into disrepute.

If you develop any new injuries, please ensure you inform your instructor.
